SUMMARY OF THE REASONS FOR DECISION:

The video slick entitled *Extrem 72* is classified as:
Objectionable.

The Classification Office finds that the publication strongly demeans, degrades, and dehumanises women. The photographic depictions, and thus the publication as a whole, present women as impersonal objects of male sexual desire, and as easily accessible, pliable mechanisms for male sexual gratification. Given the strength of the degrading, dehumanising, and demeaning effect, section 14 of the New Zealand Bill of Rights Act 1990 does not apply to this publication.
